

The Table

Igniting Change Through People

Learn the Intangibles of Leading Change

It's through relationships that Change Happens...

At The Table Leaders: share challenges, learn the fine art and science of Leading Change, uncover what works for them—and are changed themselves.

It's an Experience that goes beyond the walls of a 3-Day Immersion, including 3 hours of coaching and 1 Cohort Gathering focusing on implementation.

- How close do you lean your ear to the ground?
- How do you hone your intuition?
- How do you master a non-anxious presence?
- How do you handle conflict?
- How do you coach others?
- How do you process the team?
- How do you release others' internal motivation?
- How do you combine advocacy and inquiry?
- How do you win the hearts and minds of your people?
